**DETAIL AND SUBMITTAL SHEET**

**3200 Series - Hose Rack Assembly Components**

Project/Location: \_\_\_\_\_ Date: \_\_\_\_\_

Architect/Engineer: \_\_\_\_\_

Contractor: \_\_\_\_\_

*Appropriate Selection*

**Semi-Automatic Hose Rack** - 16 gauge steel construction painted red, nozzle clip

- Model 3210** Used with 1 1/2" Nipple/Valve and 1 1/2" Rack Hose, UL listed
- Model 3215** Used with 2 1/2" Nipple/Valve and 1 1/2" Rack Hose, UL listed

**Option**

- D** Polished Chrome Finish

**Rack Nipple** - provides hose connection and supports semi-automatic hose rack

- Model 3220** Rack nipple, 1 1/2" NPT x NST
- Model 3225** Rack nipple, 2 1/2" NPT x NST

**Options**

- B** Polished Brass
- D** Polished Chrome Plated
- C** Rough Chrome Plated

**Aluminum Wall/Pipe Bracket** - permits hose rack to be mounted to wall or pipe

- Model 3230** 1 1/2" Wall Mount
- tModel 3232** 1 1/2" Pipe Mount (Specify Clamp Size \_\_\_\_\_ )

**Adjustable Pressure Restricting Device** - reduces water pressure under flowing conditions, 175 PSI

- Model 3240** 1 1/2" Swivel, Hose x NST
- Model 3245** 2 1/2" Swivel, Hose x NST, UL Listed

**Options**

- B** Polished Brass
- D** Polished Chrome Plated
- C** Rough Chrome Plated

**Pressure Restricting Disc** - reduces water pressure under flowing conditions

- Model 3250** 1 1/2" Brass
- Model 3255** 2 1/2" Brass

**Valve Escutcheon** - conceals pipe opening into cabinet

- Model 3270** 1 1/2" Stamped steel, cadmium plated
- Model 3275** 2 1/2" Stamped steel, cadmium plated

**Options**

- B** Brass escutcheon, machined finish

**Hose Rack Assembly Cover** - Vinyl with velcro fastners, lettered "Fire Hose"

- Model 3280** Clear Vinyl
- Model 3285** Red Vinyl
